**Remembering...were you there? Il Riviera Hash gira davvero in Italia!** Ventimiglia, beach path Calandre, Balzi Rossi, Mortola, Grimaldi, Seborga, Bussana Vecchia, Ospediletti, Bordighera, Imperia, San Remo, Airole, Rochetta Nervina, Albenga

**Directions: Autoroute:**

- 1/ Drive the A8 from France, which becomes the A10 Autostrada in Italie. Pass Ventimiglia exit, take exit/Uscita Bordighera.
- 2/ Wind down the SP57, or **Via dei Colli**, a zig-zag road a few kms, down towards seafont.
- 3/ Before reaching the city, across the street from a bright red bldg./ Albergo, take care to turn off to the **Right into the Parking** of the *Centro Historico (Parking Piazza del Capo)* of Bordighera Alta. You will be in a big open parking, tables of card players. Park freely, at the far end.

**Driving Bord de Mer:** coastal road out of Menton, cross Frontiere, to **Latte, Ventimiglia**, (*dir. San Remo*), **Camproso, Vallecrosia**, (*in total only 5 kms from Ventimiglia*). **On the main street of Bordighera**, (*Via Vittoria Emanuele*), the easiest way to find the Parking for the Hash is to **follow the green Autostrada signs** which will lead after a few turns, on to the **Via dei Colli**. You will **turn Left into the big parking de Capo** at the Centro Historico/Alta Bordighera. (see info above)

**\*Note:** A recent rise in Covid infections in France meant that Italy released an order that French, living and working across the border, visiting for less than 72 hours to shop, etc. will not need a Covid test to come and go. I suggest you bring something that shows you are a 06/Var or PACA resident, and if asked, explain you are only going for 1 day. As Hares, we have crossed at least 5 times in the past 2 weeks and never been stopped asking for a Covid test or refused entry.
